

Jack Haughey
Levels, 2015
36 x 27 cms

A personal study of how a landscape can be interpreted differently. I have created a landscape built on 2D layers or 'levels' rather than one cohesive structure.

I graduated from the University of Worcester in 2013 with a BA in Illustration. I currently produce work in my spare time whilst working but am always on the lookout for new opportunities. I work primarily in digital formats but incorporate traditional techniques such as material textures and screen-print-esque composition.
