Treehouse, 2014
35 x 50 cms

The concept was very simple with this. I decided to go geometric and linear so everything was consistent. The bigger challenge now is turning a house into a tree!

I graduated from the University of Worcester in 2013 with a BA in Illustration. I currently produce work in my spare time whilst working but am always on the lookout for new opportunities. I work primarily in digital formats but incorporate traditional techniques such as material textures and screen-print-esque composition.
