

Jack Haughey
Tudor Revival, 2016
36 x 27 cms

Based on an original illustration from last year, I have used less colour and included a backdrop for the buildings. The piece pays homage to Tudor architecture from the late 15th-early 17th centuries in England.

I graduated from the University of Worcester in 2013 with a BA in Illustration. I currently produce work in my spare time whilst working but am always on the lookout for new opportunities. I work primarily in digital formats but incorporate traditional techniques such as material textures and screen-print-esque composition.
