

Trevor Mill  
*Mr. Skellington*, 2015  
Acrylics on canvas  
25 x 35 cms

A painting made in 15 minute bursts worked from a medical skeleton in life class over four weeks before the live model starts to pose. Painted on Fridays at the Mary Ward Centre.

I'm an artist with four solo shows to my name.

I adore painting from life.

Commissions taken.
